# Historic, Versatile & Special

## The Hop Farm

A unique and beautiful collection of Oast Houses set in the heart of the Kent countryside. As the largest collection of Victorian Oast Houses in the world, The Hop Farm is a spectacular backdrop for what is, undoubtedly, one of the most exciting and important days of your life.

Your personal Wedding Co-ordinator will be with you every step of the way, ensuring your special day is tailored exactly to your requirements.

This brochure is designed as a guide to The Hop Farm and our wedding services but we understand that every wedding is unique and you may wish to discuss personal requests with our Wedding Co-ordinator.

## Wedding Ceremonies & Renewal of Vows

As approved premises for the solemnization of Civil Marriages, The Hop Farm will contact the Superintendent Registrar on your behalf who will then contact you to make the necessary arrangements.

The Registration and Marriage Acts require that all marriages are solemnized by a Superintendent Registrar and registered by a Registrar of Marriages, both of whom are appointed under the Kent registration scheme by the proper office for the Kent Registration service.

Married couples looking to renew their vows can do so at The Hop Farm.

# Whites Wedding & Banqueting Suite

This oak beamed and hop garlanded banqueting suite can cater for up to 120 guests for the seated wedding breakfast with an additional 80 guests for the evening reception.

Whites is a very tastefully converted Oast barn, flooded with natural daylight which overlooks the front lawn.

It has its own bar, reception area, integral dance floor and toilet facilities.

The room also has the advantage of disabled access.

Couples opting for a ceremony and reception at The Hop Farm can choose to have their ceremony within Whites Banqueting Suite or they can make use of the beautiful Garden Gazebo, and then move into Whites for the reception.

# The Roundels & The Garden Gazebo

## The Roundels

For use either individually or together, our interconnecting Oast Roundels are offered to wedding couples as an extra area which can be utilised for a variety of purposes – a drinks reception area, an area for child guests to be kept amused or just a quiet space for the newlywed couple to spend some time together. The Roundels are also perfect for smaller, intimate weddings and receptions. Catering for up to 25 guests for a ceremony, their circular structure and warm décor are naturally romantic.

## The Garden Gazebo

Our licensed Gazebo is located on the delightful wedding lawn. All weddings can make use of the lawns and the gazebo during the fairer months of April to September. In addition to being the perfect area for the ceremony itself, the Gazebo is also the ideal place to hold your drinks reception and take advantage of the outdoor facilities.

With thanks to our recommended venue decorator Carol - Perfect Touches

# The Dray & The Dray Marquee

## The Dray

For larger ceremonies and receptions we have the The Dray Function Suite. This converted barn function room is one of the few rooms in Kent able to accommodate up to 220 dining guests. The room also has ample space to allow for an additional 200 guests in the evening. The Dray presents a tasteful wooden floor, soft colours and controllable lighting.

## The Dray Marquee

The Dray Marquee is a permanent marquee structure which is attached to The Dray and offers an additional 360 square metres of space. The interior of the marquee has been fitted out to look like an additional room rather than the inside of a marquee. This area can seat up to 220 guests for a dinner event. The Dray Marquee can only be used in conjunction with The Dray but makes a fabulous area for larger weddings with high numbers of guests.

We do offer a "dry hire" option with The Dray for wedding couples just wishing to hire a room only and bring in their own caterers. Please note however that in all instances the rights to the bar remain with The Hop Farm and external catering companies are not permitted to supply beverages.

## Ethnic Weddings

The Dray and Dray Marquee are ideal rooms to hold an ethnic wedding reception as couples are permitted to utilise their own choice of external caterers in these rooms.

The Hop Farm hire the rooms to the couple and then allow them to organise all other aspects of the day. The Dray has the capacity to seat 220 guests for a dinner, and has a standing capacity of up to 450 guests. The Dray Marquee has a seated dining capacity of 220 guests, again with a standing capacity in excess of 400 guests.

Our flexibility and unrivalled levels of service mean that we aim to fulfil all of your requirements, to create an occasion that satisfies your individual taste and is unique to you and your guests. We will do all we can to create the perfect tailor-made occasion for you.

We recognise that you may have different traditions and customs and that by offering The Dray and Dray Marquee as a venue only option this may allow you to accommodate these here at The Hop Farm.

We also recognise that we do not have the experience of cooking in the style that you may wish for and again for this reason we are able to offer you the opportunity to select your own preferred caterers to use. Our Wedding Co-ordinator will be happy to work closely with you to ensure all your guests have an enjoyable experience.

# Experience & Trust
